$\frac{1}{2}$ inch white pompom

1 black sequin

Small piece of red felt

5 inches of rickrack (optional)

Glue the 1-inch pompom to the front for a nose, placing the eyes above. Glue the black sequin to the pompom for the nose. Cut 2 ears from black felt and glue to head. Cut the felt triangle for the hat. Fold in half and stitch. Add Glue rickrack to edge of hat, if desired. Glue hat to head taking care to let ears show below the edge of the hat. Place hanger in position: pull point of hat down and glue to side of hat. Glue $\frac{1}{2}$ -inch pompom in place on hat.
