

# Mitten Card Holder

## List of Materials:

Red and White Felt  
White Embroidery Floss(optional)  
Little Clothespins---about 1¾ inch #2  
Tiny Clothespins....1 inch #3

1/8 inch ribbon or fine twine  
Hot Glue Gun & Glue Sticks  
Paper Patterns in this packet.

Cut patterns A and B. Pattern B is Cuff only.  
Trace patterns onto felt with pen and cut out.  
Make as many mittens as you like. I used 6  
mittens on 3 feet of twine.

**Note:** Some of the lines will remain when you cut them out, so trace on the side that will be the back. At this point, if you would like to add an edge, do so in button hole embroidery stitch.

Hot glue the cuff in place, tucking the ends of the thread underneath.

Position the *Little* clothespin (#2) in the center and near the tip of the mitten leaving room at the cuff to clip on the *tiny*(#3) clothespin.

Hot Glue to mitten.

Tie a loop at the end of the ribbon or twine, and string the *tiny* clothespins on the ribbon.

Tie a loop at the other end.

Clip mittens to ribbon. Clip cards to Mittens.
